NEW YORK CITY ELECTION

Republinc Ticket Triumphant.

By a dispatch we publish elsewhere it will be seen, that Robert T. Hays, the Republican candidate for Comptroller, (indured by the American,) was elected unopposed. The election was conducted in a quiet manner. The results were Geo. W. Parsons, Tammany Democrat, and Stephen R. Russell, Anti-Tammany. Russell was supposed to be as safe of success as the regular nominating and the supporters of all the shoulder-holders could make him.

The election was held at the hall of the Knights of Columbus, 20th Street and Broadway, at 7 P.M. The result was as follows:

JAMES WARREN, *Democrat*.

ROBERT T. HAYS, *Republican*.

STEPHEN R. RUSSELL, *Anti-Tammany*.

GEORGE W. PARSONS, *Tammany*.

JOHN D. COOPER, *Greenback*.

CHARLES G. COOPER, *Greenback*.

JOHN C. COOPER, *Greenback*.
